

Israel's last & final call to Salvation & their Redeemer. Part 1

1)

The dark clouds' of war destruction famine & death is hanging over the world. Before God throws the religious system in the dark tribulations He gives His own called by His Name a last chance to come out of Babylon. **Gods' final call comes from the long awaited prophet of Mal. 4 now in session to all nations & then to Israel. This means God has a prophet in the land against all the religious systems of Satan.** Before Israel is wiped from the map in the final war coming God calls His own to safety to the Redeemer God personally. Israel is deceived by the Judaism cult expecting the Messiah to set up an earthly Kingdom as God promised king David in **2 Sam. 7:16** And thine house & thine kingdom shall be established for ever before me, thy throne shall be established for ever. **Sure Gods promise is true to David's spiritual offspring the blessed seed from Abraham that look to the real true Jerusalem above not on earth.**

2)

Judaism believes that Israel will become a super world power controlling all nations. Trapped in this false conception of manmade theology they will reap death & destruction when the Arab nations bomb them to ashes. Jerusalem is contaminated with pagan armies so-called Jews sent out by the head demon Lucifer. Satan the spiritual king of Babylon is the head of natural Jerusalem. Pagan rituals is practiced allover the land of Israel worst now than ever before. The Rabbis & their deceived followers, bow like the pagan's, in front of dead material stones & wood etc shaking to & fro like a constipated cow kissing material things & stones like Catholicism does. **Israel bow in front of an idol the Wailing Wall that God hates.** They use dead matter as a substitute worshipping idols thinking a dead wall is access to God. Their calls are in vein they will die by the wall & in their ungodly temples. God will cremate Israel with bombs from the Arab nations. I tell you Thus saith God Israel will be laid to ashes & consumed in a day.

3)

Sure the whole world will go with all the super powers & the USA Satan's image of the beast nation. They will all be blown to bits. The USA is already in bad light with the Arab nations for taking sides with Israel. The September eleven attack that shook the world & the USA to the bone was just a pre-taste of what is coming to Israel the USA & all nations that will fall in Gods wrath. I believe the whole planet will be cremated to ashes within the next 20 years. I know what I am talking about I have accurate up to date calendars from Adam till when 6 days (6,000 years) are accomplished by 2024 then comes the 7th day of rest (1,000 years) of the Millennium reign of Gods anointed. **My call is to the remnant of Israel 12,000 from each tribe totaling 144,000 that God will save & redeem back,** before He destroys all nations in His wrath promised in **Mal.4**. My call is to all nations & finally Israel when the 70 years is established since they are a nation.

4)

When carried away to Babylon Israel was to stay there, for 70 years to fulfill the prophets' word then they were set free to go home. Now after 70 years since 1948 or before that time **the true Israel house & nation a remnant of 144,000 souls will be set free to go to their eternal home in glory.** This means their redeemer is made known just after Gods bride is taken home. Joseph hid his gentile wife in the palace then made Himself known to His brethren. Israel thought Rabbi Smeerson was the Messiah that would help them & give them rest & freedom from their enemies. They are expecting a natural king like in the days of David to rule & control other nations. Smeerson like all the Rabbis will; died without bringing anything but more lice creeds. The punk was so twisted he hid in the shadow of a corkscrew. They used twisted nails to hold him down in the coffin but he twisted several times when they lowered the punk into hell where he belongs.

5)

Ex.20:3 Thou shalt have no other gods before me. Through the years some Jews accepted the false Christian faith. Most of these converts are liars like so-called Christianity saying; God is 3 persons' a trinity. God is One & His Name One. If Jesus is any other person than God Himself, then you are in serious trouble with God for having other gods before Him. **Deut.6:5.** The greatest commandment is to love the Lord your God with your whole heart, & with all thy soul & with all thy might. Some say Lord & God are different divinities of the same God. That is gross error there is only One God He has one Name. **Deut.2:39** See now, that I even I am He. **There is no God with me. 2 Sam.7:22 Neither is there any God beside me.Is.43:11 I even I am the Lord & beside me there is no Savior. Is.44:6** I am the first & I am the last & **beside me there is no God. Is.44:7 Is there a god beside me I know not any.** Lucifer's Trinitarian dummies stuffed with creeds claim to know better than God, saying there is others gods beside the living God. They sure have another god the god of this world they worship. **Gen.5:12** Male and female **created He one God** them.

6)

Copiers study themselves sick & can't see the godhead mystery or Gods ways. They try to understand the bible with mental conception using some scriptures eating greedily like wild beasts devouring whatever they can to prove the systems point. **God promised Rev.10:7 to reveal all His mysteries without that you will never be enlightened to Gods word ways & mysteries.** Mankind is a low down being who are we anyway to question the creator of any of His activities? Sure God is a strange character, so are we strangers & pilgrims in this world of Satan. **We find no fault in any of Gods activities.** People blaspheme God because they have no insight into the revealed word & accuse Him of personality changes to various people. God is a family man & Redeemer to His own. He wears various masks like an actor does as decoys to His opponents & the devil that is all out to destroy God & the people in His Kingdom.

7)

Now how would you have acted when you know that you will be confronted with Lucifer & his offspring of murderers liars' thieves' robbers & the very religious demons of hell? **Would you not wear the actors' garments fit for the occasion yet present yourself openly to your beloved offspring?** It is the most ignorant & lowest of demons that accuse God of character changes because they do not understand the scriptures. Trinitarians writings accuse God of being mental for sitting with Abraham open face then later command Moses to keep the people away from the mount or they will die. Sure I see the picture, Israel had a mixed multitude with them like now. Why should low lives & unbelievers view Gods face? Israel & the world is filled with low lives now that God is not unveiled to. **Why should He show His face to doubters unbelievers that will betray Him?** It would mean their sudden destruction before the time if they behold Him & reject Him. God knows what He is doing we don't cause our ways are much lower than His.

8)

We do not question but surprisingly say Master thank you for having mercy on us & revealing these great mysteries unto babes as would learn. Let us approach Gods mysteries & see if the hand of the Lord is revealed to you in this message. Who would believe this report & to who is the hand of God revealed to? He is revealed to those in the wilderness like He was revealed to Abel Noah Enoch Abraham Jacob Moses Elijah & Daniel just to name a few that were outside of the system. **Gods' final call will get His elect I know that as a fact.** As for the rest of you organizational scum called Catholics or trinity trash Islam Pagan Judaism & other religious swine's. What God said He would do He will do by utterly slaying & destroying you low life organizational punks till He annihilated you in the lake of fire. You deserve hell God never liked you that is why He made a fire to torment you day & night while we enjoy Life day & night.

9)

God has one Name. His Name was not revealed to His redeemable people until the end of the last church age in 1987 **Rev. 3:22** in **Rev. 4:1** A door was opened in heaven the Voice says come closer & John saw **one** not 3 but **one God sit on the throne**. The Jews as well as Christianity never knew Gods real Name cause it was not unveiled. They all ploughed along with titles & names used in other ages. **It is a fact that God changes His Name in dispensations**. God used all sorts of titles & names to throw Satan's people off. God promised **Rev.10:7 to reveal all His mysteries without these pamphlets you will never know the truth or any of Gods mysteries**. God is not scared of anything He is the Lion of the tribe of Judah. God gave the law knowing man would fall. God personally not another god second or third person in the Godhead but **God personally stepped forth to die so that His people can be set free from the law**.

10)

Once a husband is dead a woman is free to marry another man. The law that bound Gods people that no one could uphold was paid for by one sacrifice that died to fulfill all righteousness. The Trinitarians say Lord & God are 2 different persons showing they are pagans. Snakes in the image of their father Lucifer have 3 heart chambers that see 3 gods. God is the King prophet speaking only in parables. **Mat.13:34** All these things spake Jesus unto the multitude in parables & **without a parable spake He not unto them**. God knowing all things in advance was well aware that Satan's people would be imposters' fakes & copiers of His word & people. **It is obvious that the Mastermind of His word would willfully utter His word in parables & decoys knowing it would stumble the wise so He can hide from them**. He promised a stumbling stone to stumble the unwise. The wise love the stone it is the most precious jewel of our hearts.

11)

Gods' character is to hide & be sought for. He said seek & you shall find, we love Him for that. The Messiah thanked the Father **Mat.11:25** I thank thee O Father, Lord of heaven & earth because **thou hast hid these things from the wise & prudent & hast revealed them unto babes**. Christianity & the Jews ploughed along with what truth they had not knowing Gods real true Name of Redemption from the Old & New Testament. It wasn't revealed or needed like now to overcome the mark of the beast. Gods Name is needed now cause the whole world wanders after the beasts church & world religions. God has a few in His books according to **Rev.13:8** that do not wander, they are equipped by Gods prophets of **Mal.4** to overcome this present world & enter through the door to the real promised land sharing in the real Jerusalem Gods city above. All Gods mysteries & the 7 thunders of **Rev.10** will be revealed through this prophetic ministry. This means the Godhead mystery, Mystery Babylon, Serpent Seed & all the mysteries are revealed fulfilling **Rev.10:7**.

12)

Men probed at the godhead mystery, it was not time for the mystery to be unveiled till the church ages ran out in 1987. **1 Tim.3:16** And without controversy great is the mystery of Godliness: **God was manifest in the flesh**, justified in the Spirit, seen of angels, preached unto the gentiles, believed on in the world, received up into glory. No one knows who God is unless God wants to reveal Himself to that person. God deals with the gentiles the same span of time as with the Jews 1954 years since the promise was made to Abraham till A.D. 33. From A.D. 33 to 1987 is 1954 years. **We have visible proof of Gods appearance we have picture confirmation & God verifying with a sworn statement personally on 16/4/1990 that time is no more for Satan's kingdoms**. The King appeared visibly putting His feet in land & sea to claim back His redeemed subjects. The visible proof we have of His return cannot be argued away it is gospel facts. He addresses His own in the word & those looking for Him will see Him as Thee Son of Man revealed in His manifested prophetic message outside the system.

(4)

Melchizedek the King of Salem mystery solved.

13)

Gen.14:18 And Melchizedek King of Salem brought forth bread & wine & He was the priest of the Most High God. **(19)** And He blessed him & said, blessed be Abram of the Most High God=11 letters, possessor of heaven & earth. Let us cut a few Trinitarians down that do not like Gods character or mood changes. God blesses Abraham after he smote & killed off the pagan Trinitarians. See it depends whose side you are on. How can low life clay say to the potter why hast thou made me like this? You are nothing to begin with. **All things & Life resolves around one person the sun of righteousness the living God of our Salvation.** The King of Salem had a Name Melchizedek. He appeared after Abraham had the victory first slaying the pagans. **There was no Jerusalem built as yet at the time when Melchizedek the King of Salem met Abraham.** The city of Jerusalem did not exist then. This appearance of the King of Salem happened many centuries before Jerusalem was built as the city of David.

14)

Salem means peace. This Melchizedek was the King of Salem the King of Peace. The bible does not record Melchizedek as Prince of Peace but as King of Peace. The King of Salem descended down to Abraham from His homeland that is in glory. Salem is the ancient name of Jerusalem. **The founder creator & discoverer of Salem Peace is the King personally His Name is Melchizedek. Ps.76.2 In Salem also is His tabernacle & His dwelling place in Zion.** This verse confirms **Rev.21:10** And he carried me away in the Spirit to a great & high Mountain (Mt. Zion). **And He showed me that great city, the holy (Salem) Jerusalem,** descending out of heaven from God. I know why people cannot see the New Jerusalem cause they cannot be carried away in the Spirit like John was cause they are flesh pot children. Sure there are 2 Jerusalem's' one below & one above. **Ps.110:4** The Lord hath sworn & will not repent thou art a priest forever after the order of Melchizedek. Melchizedek is the priest forever in Salem the Jew Jerusalem.

15)

Gal.4:25 For this Hagar (The religious system people) is mount Sinai in Arabia, also called Mt Zion. And answereth to Jerusalem which now is & is in bondage with her children. Jerusalem sure is in bondage with her Catholic offspring pagans that Judaism brought forth intermingled with Catholic doctrines denying Gods word. They are in bed with Rome & its head demon king Satan. **(26) But Jerusalem which is above is free,** which is the mother of us all. **(23) But he who was of the bondwoman was born after the flesh; but he of the free woman was by promise.** Abraham's flesh sons are all over the earth walking bibles in all religions & the so-called hypocrite orthodox Jews walk with dried out dogs dung hair they curl to show they are religious & have access to God. You stink you punk God hates you He never liked you & will burn you to ashes with all your false interpretations of His holy word.

16)

Melchizedek = 11 letters. King of Salem = 11 letters the real true Eternal City = 11 letters, the New Jerusalem that is above. Only a fool would think the natural Jerusalem is a Holy City. Jerusalem below is an evil city in Gods eyes contaminated with Lucifer's religions & pagans worshipping idols. The evil Israeli government keeps quiet about the religious infiltrators scared they might loose the tourist trade of Satan's religions. Israel sure is the Promised Land, **God promised His wrath to be poured out on those ungodly Jews & pagans that claim the churches & synagogues are of God when it is the synagogue & churches of Satan.** Thank God our Salem our City of Peace =11 is above where there is no war & only eternal Life. Israel rejected their Messiah 2,000 years ago so it is a waste of time to try convert them back to Gods word they are hell-bound like the rest of the world except for Gods elect remnant.

17)

Do not even try & tell me that God loves Israel. He loves a remnant of Israel a small percentage not even 1% that totals 144,000 people that will be redeemed by God before Israel is blown to ashes. The pope favors Israel saying they can establish 2 major religious nations Israel & the Vatican & 3 major faiths namely Judaism Catholicism/Christianity & Islam. The bible is Gods word telling us exactly how God feels about Israel. I am not only against the natural Israel; I hate like my God does the system of religions that is in all nations on earth. Satan is the god of this world worshipped in every government. Judaism Jews claim when messiah comes the Knesset would be Gods government where God would from His headquarters in Israel control all nations. By standing against Israel you are really fighting God they say. It is God getting rid of all nations including Israel. God is sick of this world **Mal.4** records His day burning as an oven. What the evil Hitler & so other demons did in ages past will look like a picnic when God strikes in His wrath personally laying the world in ashes.

18)

I hate Lucifer's religious clowns that impersonate the real thing & present themselves as fighters of a land that God has long forsaken. Sure the temple was rebuilt in Israel & the Jews returning there did better than other nations did before them in the past 50 years. A corrupt government that should seek a peaceful resolution with its neighbors before they blow Israel to ashes spills innocent blood daily. **It does not mean that we must accept this gross error that Gods Kingdom would be established on this earth in Israel; & that sinful men would rule Gods Kingdom like they have been ruling Israel in the past & now.** The Messiah will be rejected by Israel like He was 2,000 years ago cause the Messiah is against the system of organizations. The Messiah will condemn the orthodox Jews so all Israel & have mercy only on His remnant. **The Messiah coming to Israel will be a prophetic message that will call Israel from Israel away from the ice cold Judaism Satan Jews that are the biggest hypocrites on earth.**

19)

Those orthodox & Judaism Jews are pagans wearing false religious Rabbi & other cloaks pretending righteousness loading the people with all sorts of manmade & kosher laws that no man can keep. Like in ages past they will be caught unawares & the staunch orthodox Jews were trapped inside Jerusalem's walls & killed on their own grounds by pagan infiltrators. I think it is high time that Gods' true people take those false Rabbis & imposters & stone the bastards by the pagan Wailing Wall that God hates cause it is an idol. He said you shall have no craven images before me. God cannot be bound in any place or nation. When Israel thought they had Him tied down He threw them out of Israel like He threw the Canaanites out & scattered them across the world. There are more pagan temples & sites in Israel where various idols are worshipped under the false pretense of the true God than in any other nation on the planet.

20)

How can these false demons the imposters of Gods real true Israel ever escape the wrath of Almighty God when God made a fire to annihilate them in? **If you are still inquisitive regarding these outburst of the great volcano that is boiling with fire driving it upwards to spit out Gods holy word; then know that God is a consuming fire who will get the pagans & burn them down.** Now that I have your attention hopefully shaking any imposters off let us journey back in the scriptures to see the real Promised Land, the King of that Land & the people that would be there, redeemable by their Kinsman Redeemer. Open your bible but be careful of the Jerusalem bible cause the translators inspired by demons left parts out & changed parts' as they liked. The King James Version seen as a Christian bible by most Jews; is accurate for doctrine to all nations Jews or gentiles.

20/04

(6)

Israel's coming prophet.

21)

The Old & New Testament closes with the prophets' of **Mal. 4**. **Mal. 4:5**. Behold **I will send you Elijah the prophet** before the coming of the great & dreadful day of the Lord. It is not strange that Judaism does not refer to this promised prophet the forerunner before God burns the world to ashes. God promised the world would be cremated to ashes in **Mal.4:3** & the wicked will be ashes under our feet when we walk in Gods true Promised Land in heaven. The Jews never accepted John or the Messiah so they will not accept him now either. They cannot accept Him cause the word spoken already condemns them as blind miserable naked & poor. Gods' prophets of **Mal.4** are in the land. There has to be 2 of them Gods witnesses one presenting the Law Moses & one the Justice of God Elijah representing the prophets. **Mal.4:4** speaks of Moses & **Mal.4:5** speaks of Elijah. **The sun of righteousness is raising on His eagle wings His prophets' ministries. Only redeemable subjects that are in Gods books will know Gods last day prophets.**

22)

Elijah is this ministry a prophetic message to all nations like Daniel was. Moses however is a prophet to Israel only. Note that the prophets of **Mal.4** have notable ties they can cross the bridge to be any biblical character. So Elijah can be Daniel; & Moses can be Elias or any other prophet. By missing this great prophet coming to Israel the majority of religious Jews will seal their own doom & be thrown in the tribulations & done away with in a final war that will ignite the 3rd worlds religious war. The world will be blown to ashes because of religious indifferences between nations. These prophets & witnesses of God appear in the Old & New Testament. **Zec.4:14** These are the 2 anointed ones that stand by the Lord of all the earth. **Rev.10:7** But in the days of the Voice of the 7th angel, when he shall begin to sound the mystery of God should be finished as He hath declared to **His servants the prophets. See 2 prophets to the end time people both wings of the eagle that lands on earth to take His people home in a heavenly flight to glory.**

23)

The prophet coming is also seen in Rev.7:2 ascending from the east with Gods seal the oil that is in these & his own pamphlets to seal Israel with Gods Name in the forehead before they take the mark of the beast that is handed out by Judaism. It is easy to see the kind of spirit ruling & controlling Judaism Jews. It is the same spirit of Satan that controls other nations. Israel is considered a religious nation & state combined just like the Vatican state has a government & Catholicism combined in one. **Do you see the same spirit that is in the Vatican is in Israel thinking Jerusalem is & will be the eternal city? What a lie there is no eternal city on this earth until this earth is renovated.** God uttered many curses against Jerusalem below & many blessings to His own that look to the Jerusalem above the real eternal city of peace. There will never be any form of peace on this earth cause Satan's kingdoms are divided against each other & the fallen angels in his kingdom want power as kings & rulers.

24)

Watch the systems politics & you will see it is demons seeking control power & ruler-ship betraying each other. Politicians are Lucifer's offspring & fallen angels that he uses to sit at fake political parties today & tomorrow another party takes over & they join that again unashamed of any of their past activities. **I.Thes.5:2** For yourselves know perfectly that the day of the Lord cometh as a thief in the night. **(3) For when they shall say peace & safety (In Judaism the Vatican or any of Satan's ruling parties) then sudden destruction cometh upon them as travail upon a woman with child & they shall not escape.** The woman Babylon the whore & her daughters & their children will die in Gods wrath & will not escape. Let us dig into Gods bible mine & see how the King planned the Salvation & restoration of His jewels the people He elected to be His last day witnesses against the kingdoms of this world.

25)

Let me start afresh by greeting all nations that are blessed by the promise of God that He gave Abraham that His true seed the anointed would be blest. I am not a gentile meaning unbeliever neither a Jew. **I am a believer in One God with One Name. Gods' true people are neither Jews nor gentiles or members of any otherworldly religion. We are Gods offspring redeemed back by God personally with His own blood. God is neither Jew nor gentile we are in His unfailable word image.** I greet you as a Voice crying out in the wilderness like John cried in **Mal.3** this time Gods wrath message advanced 2,000 years. The Voice crying in the wilderness comes your way from the same prophet **Mal.4** calling you to come out of Babylon, come out of confusion before God burns the world. The wilderness means Gods people called to Life is on the outside of the natural Jerusalem & Babylonian system that Israel & the gentiles uphold as holy eternal cities. It is canon fodder I will proof to you that God will destroy the whole world.

26)

God is in no city or building built with mans hands. God has always been outside the system. When He called Moses He was on the mount in a burning bush. When God drowned the Egyptians He was in a cloud & Pillar of fire outside man made camps. **Is.55:8** For my thoughts are not your thoughts, neither are your ways my ways, **Is.66:1** Thus saith the Lord. The heaven is my throne & the earth is my footstool, where is the house that you will build unto me? And where is the place of my rest? The Most high do not dwell in temples built with mans hands. **Gods' people do not belong to any of Satan's gentile trinity God denying churches or organizations that are pagan to the core all wandering after Catholicism like Judaism does.** You can't deny the fact that Israel already signed relations with the Vatican years ago. Pot can't call kettle black. How dare they hypocritically condemn the Trinitarians that believe in 3 gods when they are practicing pagan worship making love to dead stone images like the Wailing Wall that is completely unscriptural? How can 2 walk together less they agree?

27)

The gentile age came in after God divorced Israel & they were carried away to Babylon. It goes out the same way the Jews are carried away to the spiritual Babylon Roman dogmas. God had a few elected seeds then that obeyed His faithful prophets like Daniel & Jeremiah but the rest are all sowed up in a confused mess of organized religion. **Gods Voice calling from the wilderness is outside the system as He commanded His own to come out of Babylon come out of confusion.** Let us journey back to our forefathers to see how things originated then we are equipped with the truth that sets us free. The law failed no man could uphold it. Long after God gave the law He brought forth a New Law a New Covenant for His people. Israel failed the law & the God they claimed to be married to divorced them.

28)

Jer.3:8 And I saw when for all the causes whereby backsliding **Israel committed adultery I had put her away & given her a bill of divorce;** yet her treacherous sister Judah feared not, but went & played the whore also. **(9)** And it came to pass through the lightness of her whoredom, that **she defiled the land (Of Israel) and committed adultery with stones & with stocks.** The stones are the stones of the Wailing Wall. Pagans in ages past built altars with stones then they would bow in front of those stones & altars shaking to & fro offering all sorts of abominations on the altars to their idols & mythical gods. That is exactly what Israel is doing at the Wailing Wall committing adultery by having a spiritual affair with Satan the head of all idols & bowing before Lucifer shaking to & fro pretending it is God when it is Satan they are worshipping. Adultery with stones & stocks **Jere.10:8** The stock is a doctrine of vanities

29)

Jer. 3:20 Surely as a wife treacherously departeth from her husband, so have ye dealt treacherously with me, O house of Israel saith the Lord. God sees Israel like a woman betraying her husband having an affair with another man. Israel has that affair with Gods main rival & opponent the god of this world Lucifer. Note in **Jere. 3:14** God promises a return to individuals but not to Israel as a nation. **(14)** Turn O backsliding **children**. (God is addressing His individual children in Israel not Israel as a nation He already divorced them.) For I am married to you & I will take you **one** of a city; & 2 of a family & bring you to Zion. Zion is Gods spiritual word mount of revelations that is in glory. There is no record that God married Israel again as a nation but He is married to the individuals of the 12 tribes of Israel an elected remnant. With the 144,000 God makes a new deal a New Covenant. **Jere.4:4 Circumcise yourselves to the Lord & take away the foreskins of your heart.** Before we get into Gods new deal with His remnant God points to the destruction of the nation.

30)

Jere.4:20 Destruction upon destruction is cried for the whole land is spoiled. Judaism believes that the temple of God is in Jerusalem God does not dwell in manmade temples. **Jere.7:4** Trust ye not in lying words saying; The temple of the Lord, The temple of the Lord, The temple of the Lord are these. The prophet is commanded not to pray for the pagan Jews in **Jere.7:16 & 11: 14** cause God will not hear him. **Jere.9:25** Behold the days come saith the Lord that **I will punish all them which are circumcised with the uncircumcised.** **Jere.9:26** All these nations are uncircumcised & all the house of Israel are uncircumcised in the heart. **Jere.7: 17** Seest thou not what they do in the cities of Judah & in the streets of Jerusalem? **(18)** The children gather wood, and the fathers kindle the fire & the women knead their dough, to make cakes to the queen of heaven (Babylon & Catholicism) and to pour out drink offerings unto other gods, that they may provoke me to anger. God refers directly here to the Kosher system He hates it is man made of the devil.

31)

Kosher laws are one of the worst manmade creeds practiced directly opposing Gods commandments. **The Kosher system is copied from Catholicism to keep the false kosher industry in business.** The Vatican has a so-called dedicated industry (Catholics) that makes communion crackers wines candles crosses clothes furniture so other regalia & eating utensils that are used for the popes clergy & their followers. Judaism copied the kosher system from mother whore, like mother like daughter; the great harlot Catholicism has a Judaism daughter also a whore. God says she's a whore that is why He put them away. Kosher homes have a few sets of cutlery one for meat, one for dairy products & one for the Passover. Kosher laws prohibits dairy products to be eaten with meat, also forbidding that they be eaten on the same plates with the same cutlery.

32)

It is absolutely unscriptural. **God ate a mixture of meat butter, milk & bread with one primitive knife of the time & the rest with His hands.** Read **Gen.18:6-8** And he took **butter & milk & the calf which he had dressed & set it before them & he stood by them under the oak tree & they did eat.** The kosher system inspired by their father Lucifer thinks they are better than God personally. They alter Gods laws leave portions out not suiting them & take on anything the false Rabbi's hatch out. **God is obligated to kill Judaism off it's an image of Satan's whore daughter born by a union between Satan & the great harlot Catholicism. Both cities Rome & Jerusalem lie on hills & both are guilty of the blood of innocent people & disobedience to Gods laws.**

33)

If God does not burn Judaism & all these false pretenders off utterly destroying the false Jews pretending to be true Israel then He is obligated to apologize to Israel of old for bringing judgment upon those disobedient to His laws. There is no law in the bible prohibiting meat & milk to be eaten together it is an added man made creed. Now so-called Christianity also practices a kosher system by only serving certain wavers or bread as communion & only certain wine in a certain cup. Pot can't call kettle black they are all guilty & sentenced to death. **Elijah is Gods white judgment wig so it is logical that the death warrant be read over these false pagan imposters that copy Gods true elect people.** These false Jews taking sides with the Vatican are of the **synagogue of Satan.** **Rev.3:9** Behold I will make them of the synagogue of Satan, which say they are Jews & are not, but do lie, behold I will make them to come & worship before thy feet & to know that I have loved thee.

34)

The imposters will beg for mercy at our feet pleading & we will send them to hell where they belong with their daddy Satan. This is the New covenant to love God with your whole heart not your flesh pot body trying to show by man made laws & works that you are perfect. **Jere.23:3** And **I will gather the remnant** (Not Israel the nation) The remnant of my flock out of all countries whither I have driven them. The promise of the real Promised Land in glory is only to Gods remnant that He addresses as the real true Israel. **Israel the nation is a fake imposter & copier of Gods real true people that are God fearing.** Judaism Jews think God is addressing them when He is not talking to them at all He is addressing His obedient flock. They apply Gods words to natural Israel with manmade ideas & minds they want to set up a kingdom on earth that will be ruled by Judaism laws & the orthodox society.

35)

Israel is divided its own people hates the orthodox Jews & government how can they ever have peace on earth or establish a kingdom of peace? **The true nation & house of Israel is Gods 144,000 true elect virgins that are not carried away by any of the Jewish traditions or manmade laws.** The Kingdom of peace is above the King of Peace Melchizedek is ruler sworn in as the eternal King. **Jere.31:31** Behold the days come (See future referring to the end time Israel) That I will make a New Covenant with the house of Israel & with the house of Judah. **(32)** Not according to the covenant (The law of Moses) that I made with their fathers in the day that I took them by the hand to bring them out of the land of Egypt; which my covenant the law they brake, although I am a husband to them saith the Lord.

36)

Jere.31:33 But this is the covenant that I will make with the house of Israel after those days. After God stops dealing with the gentiles He returns to Israel. **I will put my law in their inward parts & write it in their hearts & will be their God & they shall be my people.** I think it is one of the most dangerous things to try up-hold the laws of Moses cause it was given as a witness against those that do not keep it. **Deut.31:26** Take this book of the law & put it in the side of the ark of the covenant of the Lord your God, that it may be there **as a witness against thee.** **Gal. 3:11** But no man is justified by the law in the sight of God, it is evident for **the just shall live by faith**

37)

Gods original law was given as a foreshadowing compound type of things to come. Forgiveness for transgressing Gods laws required a blood offering of an innocent animal that had absolutely nothing to do with the sin of mankind. **Lev.17:11** For **the life of the flesh is in the blood** & I have given it to you upon the altar to make an atonement for your souls, **for it is the blood that maketh an atonement** for the soul. The life of the animal killed could not come back on mankind. They offered animal sacrifices & sinned again not desiring obedience to Gods laws cause there was nothing in the blood that could change them. The animal offered didn't help them they still had a beastly nature after all the offerings. I believe God gave His people laws knowing what was laying ahead for them when they inhabit the heathen lands & are confronted with heathen gods, His laws also foreshadowed His redemption Salvation atonement & word plans.

38)

The majority of Israeli kings wandered after pagan gods disobeying Gods' laws. **Gods' laws written in His peoples' hearts are His spoken word laws.** The law required the blood of an innocent lamb described in **Ex.12:1-24**. In order to get His people free from the law & all the substitute offerings pointing to a perfect sacrifice, He had to provide the perfect Lamb offering that would atone for His people's sins. The atonement blood had to be sin free perfect & the Lamb must have no blemishes at all. The Life of an innocent Lamb had to be of such a perfect nature that it could come back on those offering the blood spilled for their sins. As I said before God is fearless the Lion of the tribe of Judah. God did not send another person or a prophet to pay for sins their offering would have been useless cause their blood is stained with sin caused by sex acts.

39)

All mankind come into this world through the original sin of sex acts by their parents. The sacrifice had to come through a virgin that God promised would bring forth the word. **The husbandman came personally to die for His bride & set them free from the law & provide them free unmerited grace & Salvation.** **Is.7:14** Therefore the Lord Himself shall give you a sign, a virgin shall conceive & bear a Son & shall call His Name Immanuel. Immanuel means God is with us. This scripture is mistranslated from the Hebrew bible altered & substituted in the Jerusalem bible not meaning virgin but damsel. **God said a virgin shall conceive she did & brought forth Immanuel the Lamb made flesh as an atonement.** The bible is loaded with scriptures from beginning to end of what the Messiah is to be like what He would do before finally spilling His real true pure sinless blood as an atonement for His people.

40)

Not only did He spill His blood, but His Life **Gods eternal Life that is in His blood offering comes back on the believer. We have Gods eternal Life flowing in our veins that is why we are word candidates from Gods world above accepting the word all the way from genesis to revelations.** Now once the sinner by faith accepts the sacrifice Gods word that is written in their hearts the blood the washing of the waters of the word cleanses us from all sins. **The word dropped forth as Thee Son of Man the prophetic message.** Those believing Gods creative spoken words revealed to their hearts have Life in them. He said my words are Life. **The Spirit of truth that the world cannot receive quickens the dead letter words interpreting them in the rightful thought that God wants us to see them in manifesting plain before us the revealed God stepping from glory into our hearts as the hidden manna.** All the substitute law offerings are now where doctrines the vultures always get stuck into dead rotten carcasses of other times. That which is perfect is come so all the shadows carnal laws & things in part are done away with.

41)

You true Israel the elect virgins of God behold your God. He is the atonement Lamb fulfilling every scripture that relates to the sacrificial Lamb & Messiah. Judaism hates this cause they worship the god of this world. They hate the Messiah more now than they did 2,000 years ago. Judaism wants a super religious man as the messiah that will be the head of Israel's religious & political system that will control the world with Satan's politics & religious powers. **They are living the lie no such a man made Judaism messiah was promised in the bible.** Like dung beetles they crawled after Rabbi Shmeerson believing he was the messiah. They will never know or see the Messiah their man made ideas of God is an outright rejection of God & His elect 144,000. Judaism wants a holy man made by their standards they can have him the pope will rule the worlds religions & Judaism till God kills them all off in His wrath.

42)

God made flesh in His peoples flesh means they carry a message of judgment on the ungodly. We were told that the word would hate us like they hated the true Messiah without a cause. The good news is that God hates them more & will fry them soon when He scatters & burns them with bombs in their shuls & wailing walls. As I said before I sincerely believe that the Wailing Wall would serve a better purpose if they use the stones in a sewerage farm. The pagan religious Wailing Wall Vatican Jews are dressed like the Catholics praying to dead stones that they worship as idols by Satan's low down false Jews that God hate. The false Rabbis are worst than the priests of Baal that Elijah slew. Like in Elijah's days the Jezebel system Judaism is an image of the beast brought forth by Satan & his wife Catholicism. The latter day Judaism Jezebel sits in the Knesset the government of Israel controlling religion & politics with her power.

43)

God promised that Babylon would fall so her Judaism & other devil image daughters that will be destroyed & annihilated. Elijah is in the land condemning her again. Read about Gods wrath coming their way in **Rev.14: 6-13 & Rev.17: & Rev.18.** **God became flesh & dwelled amongst us fulfilling bible prophecy manifesting the word of the prophets that uttered by inspiration Gods thoughts.** If the Messiah did not come to fulfill & die as prophesied by the Old Testament prophets then those prophets would have been accused of being false prophets & Gods whole word would be null & void. **Do you see the facts of the matter that Judaism is calling Gods prophets false prophets cause they pointed to Christ.** The Old Testament is loaded with prophesies pointing to the Messiah the perfect atonement. Abraham long before Jerusalem was built offered his son on a mount outside the now Jerusalem going exactly where God told him to go.

44)

Gen.22:2 And offer him there for a burnt offering **upon one of the mountains which I will tell thee. (6)** And Abraham took **the wood of the burnt offering & laid it upon Isaac his son.** God laid the wood the cross on His Son God personally stepped forth & offered Himself up for us outside Jerusalem on Mount Calvary. I am not ashamed of the New Testament cause God paid for it with His own blood. Some use only Old Testament scriptures to try convert Judaism Jews. Forget it they are cursed no scriptures can convert Satan's false Jews. They erase scriptures leaving out complete books & when some word is taken as authentic they twist it to suit their devilish needs. **Mat.23:37** O Jerusalem, Jerusalem, thou killest the prophets, & stonest them that are sent unto thee, how often would I have gathered your chickens together, even as a hen gathered her chickens under her wings, & ye would not. **(38)** behold your house is left unto you desolate. **(39)** For I say unto you the individual the remnant that expects Him back) ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the Name of the Lord. This is proof that Gods few remnant will know His right Name it is sealed in their foreheads **Rev.14:1**

45)

The fact of the matter is that we have overwhelming scriptural backup that Jesus Christ was indeed the Messiah. **It is not our duty to proof anything to Judaism they rejected the Messiah 2,000 years ago.** They died long ago in darkness when God forsook them. We are living testimonies of Gods true Kingdom. Over 100 million true believing Christians' were put to death by Rome in the dark ages. They were true believers in the Messiah. **Many more Christians were killed than all the Jews that were ever earth.** We owe Judaism or anybody not in Gods covenant any excuses they are already condemned by God as unbelievers. If they are true believers not stuffed with pagan man made ideas they would search the scriptures & accept the messiah. The onus is on them to proof that Jesus Christ was not the Messiah. They can never ever do that there are too many scriptures confirming Him to be the God of the Old & New Testament.

46)

I'm addressing the 144,000 as Gods last Voice calling them out of Babylon out of Jerusalem an ungodly city that will go up in flames trembling shaking till it collapses in ashes. Seeing I got your attention cause you know in your heart that Judaism & other religions are wrong; let me now show you the wonderful merciful God I have been serving since He saved my weary soul in 1963. Let me upgrade you to what is taking place with a short testimony that you can see in my other messages. I was born by the mine where the biggest diamond in the world was found The Premier, which means Prime minister. I feared God when just a boy 5-6 years old I attended the Old Pentecostal meetings & those sincere people were happy in their religion praising God clapping hands happy crying with joy. There was a strange presence the presence of God in those meetings. My parents were divorced the family home split my sisters went with my dad & I lived with my mom & drunk stepfather.

47)

My sister died that really shook me. I kept asking myself is that all that is left of mankind a heap of soil? I was sinning drinking smoking & serving the god of this world. One evening by mere coincidence & against all odds I staggered into a Pentecostal meeting. God called me, & the preacher insisted that there was still someone that God is calling. I was ashamed to raise my hand there were young people with me my age. I was so pressed by Gods Spirit that I forgot all those around me & lifted my hand to God. Immediately something fell into me like light from above right into my inner being. At the same time my burdens left & I felt as light as a feather. Many things happened since then till the end of 1985. I was aware of the time ending for the gentiles expecting it to take place by 1987. During the end of 1985 God told me I was His last Voice. I was shaken inside wept & couldn't believe it & questioned God saying; the people won't believe me they know my background my birth was also questioned.

48)

I put out a few pamphlets & found great inspiration in them. I tried to run from the call & commission but was unsuccessful at that like Jonah all sorts of things happened & I returned to the God of our fathers. I could not find rest & everything went wrong for me I said Master what have I done wrong. Gods' word came to me asking me, why call ye me Lord & do not what I command you to do? **I started to put out these pamphlets & never in my life was blessed as I am with these spoken words of the living God He pours out in these messages.** It is Thee Son of man the prophetic message the bread of heaven. God had 2 Major Prophets' before He destroyed the world Enoch & Noah. Enoch was the 7th from Adam the inspiration & draughtsman of the Great Pyramid. The headstone of Gods temple returned to fit on top of His tabernacle.

49)

After the 7th church age ended in 1987 the headstone returned & revealed His Name to us that same year. **It is the same stone Daniel saw that was cut with Gods own hands from Mount Zion Gods Mountain of living bread above.** There are many things you need to be enlightened with in a short time the most important is to love & know your God the rest will automatically fall in line. Once outside Babylon then only do you see the fallacy of the system. I've never been a church or trinity man I served God all my life outside churches. Gods last call is come out of Judaism Babylon serve God in Spirit & in truth. Since calling me to office The King of Peace appeared to me several times & a picture was taken of His face on 16/4/1990 fulfilling **Rev.10** when Christ set feet in land & see swearing that time is no more. The same Melchizedek that served bread & wine to Abraham served bread & wine to His disciples saying this is my body eat & drink.

50)

So- called Christianity failed hopelessly in bringing forth the headstone cause they organized right back to Rome as daughters of the whore. **Gods' people outside the system I am one of them welcome back the Headstone He came to us as promised a prophetic message.** The appearance of Christ in the sea picture is for all believers. He came to collect His own confirming that He was finished with the gentiles & Judaism etc. He swore that time is no more for the kingdoms of this world that includes the end of all nations. Israel the remnant will weep & wail when they see His face accepting His message. When the veil fall from their eyes they will see His deepest wounds came from Judaism & the carnal Jews that withheld the truth from them. The same thing is taking place amongst these gentiles the preachers keep them away from my messages that is Gods messages telling them to flee & get away from the churches & systems of Babylon. The King of Peace stepped forth to claim back His redeemed people including the 144,000 true Israeli's.

51)

The King revealed His Name to me who He was all along hiding in the scriptures. Christ is revealed from His word. Christianity never had what we have now. They could never settle on a true baptism cause the commandment from Jesus & Peter was to baptize the disciples in One Name one single Name of Jesus Christ proving that Jesus Christ had another one single Name. It is logical that they reject me God said they would be blind with their trinity hearts. Since His precious Name was revealed to me I got baptized in the real One true Name of the living God Melchizedek all the other names & titles He used in ages past falls away like the law shadows did. Why go back to shadows of what God looks like when we have a fully developed picture of His glorious countenance. Melchizedek = 11 letters, Name of my God = 11 letters, King of Peace = 11 letters, Gods One Name = 11 letters, Jesus Christ = 11, Eternal Life = 11, Most High God = 11 letters.

52)

There are thousands of 11 letters words referring to our King. Get my messages on these things. The same God of the Old Testament is God of the New Testament. His Name traced back to the seed chapter Genesis shows us He is King of Salem = 11 letters To all of us believers called from the gentiles for His Name sake & the remnant of Israel, to us Gods Name is New He promised us He would write His New Name on us in **Rev.3:12** I will write upon him the Name of my God & the Name of the City of my God = 11 which is New Jerusalem which cometh down out of heaven from my God. And **I will write upon him my New Name.** To all of us it is a New Name cause God hid it from the pagans & revealed it as promised in **Rev.10:7**. We did not know His real Redemption Name & who He really was we are glad & amazed that the great King of Peace has mercy on us & our precious people & the rest of our heavenly family that He will soon call from Israel.

53)

I have tears in my eyes this cold winter day when I think of Gods poor people trapped in the slave system of Judaism & other religions. My prayer is Master I long to see them delivered as soon as possible I have been typing this message for 3 days now & can't get away from it there is so much I want to tell & share with them cause they are sincere virgins of the word. **God uses various actor garments to perform His goodwill towards His own.** At the end of the ages just before He burns this present world He makes His complete works known. Like any artist hide their unfinished work behind a veil; so does God then He unveils His word to a selected few that is invited to see the Masterpiece= 11. Sure the flesh twin won't be able to understand our God but we love Him in all His various expressed attributes. You don't need worldly education to know Him Abraham believed Him & it was counted as righteousness to him. The just live by faith in the word.

54)

There is no life at all outside the Life of Christ. There is nothing present that can satisfy our utmost inner desire for the word, but Christ personally the waters of Life & bread of heaven. In the Garden of Eden He was the tree of Life promising anybody that eats the Life of the tree to have eternal Life. The same God that ate bread meat & dairy products with Abraham wrestled with Abraham's son Israel till the break of day. He was the 4th man in the furnace cooling the flames for Daniels friends. He is faithfully married to the backslider knowing circumstances made them fall through Lucifer's attacks. **If I by the grace of Almighty God can get the real Israel out of the slave system then my life on earth was really worth living for cause I live it for Gods people.** Set them free Master I beg & pray let them get these messages so they can be free from the darkness of man made laws knowing that one person the King of Peace Melchizedek paid the complete price.

55)

You never have to work for your sins or worry about it One sacrifice One atonement paid the whole price for your freedom. Before Israel was freed from the slave system they had to eat the unblemished Lamb. If you believe what you have read so far then it shows the arm of God is revealed to you. You will now know that all the actors are in the various biblical books are all Christ from Genesis to Revelation. I cannot finish this message without using the Old Testament types & confirming them by the Messiah showing our innocent Lamb to Gods elect. **I will use part 2 of this message to show you from the Old Testament as a negative to the New Testament as the positive the whole picture of this great marvelous person our King of Peace Melchizedek.** My motive is to set truth before Gods elect & get them away from Satan's religious dummies. Let the composer the Mastermind that wrote all these things now show you who He was, is & always will be the same God Melchizedek all the time.

56)

Dear one study these scriptures they confirm that it is the same God our Messiah that speaks His words of Life from the bible & these messages. Once set free then get the message to your loved ones. Do not try make a public show God is not like that He dwells with individuals outside the system that believe His word & are interested in getting out of this present world into Gods world before He burns this world to ashes. If you have 2 bibles use them in part 2, 24/04 comparing the Old with the New testament proving to you beyond any shadow of a doubt that it is the same God all the time from Genesis to revelations. I pray to the real true freedom fighter that He will give you freedom within amidst all the troubles of this present world. So that whatever happens you would be ready & prepared to even lay your life down if it calls for that or just live for Him as a testimony & witness that you are a subject of Gods Kingdom that the King of Peace had mercy on.
