

Ascending & descending.

1)

Ascend means: Travel up, going up, reach for the skies. We ascended the mountain. She ascended to the throne after the King's death. Move upwards to the top. The boat ascended the waves. The path ascended to the top of the hill" Descend means: A movement downward. The act of changing your location in a downward direction. A downward slope or bend. Ascending & descending are stereo types of biblical mysteries unveiled. The whole bible story is one of ascending & descending. Before the creation God lived by Himself. Before creating the heavens & the earth & before the foundation of the world was formed God had a family in mind a royal priesthood of sons & daughters elected seeds that He would save from the earth. **Eph. 1:4** According as **He hath chosen us in Him before the foundation of the world, that we should be holy & without blame before Him in love:** See that we are blameless before God?

2)

Satan is the loser all the blame goes back to him. God saw us blameless before Him. Our Lamb Melchizedek interceded for us before sin came into existence. We were saved before the fall by His grace. Grace takes us back to what God had in mind originally **He hath chosen us, that we should be holy & without blame before Him in love.** Mankind's sinful flesh beast nature steers away from God all the time. No man seeks God. God made a deal to save us unconditionally billions of years before we came to earth we were already in His mind. God chose us are you getting it? You say oh that preacher got me converted. No matter what good or evil person God uses, whether fakes or imposters **the laws of Life drove you into Gods orbit to receive the seed the words of Life to convert you from paganism to true Christianity.**

3)

Natures' distribution program uses winds rains storms blowing seeds allover, so the rivers the seas & beasts' animals that cart seeds unknowingly. Birds eat seeds & their droppings fertilize the seeds that grow elsewhere. The point I am making is that no matter how the seed of Life got to you, whether it was a wild beast or image of the beast disciple regardless of what God used as a conveyer Gods goals were reached. No matter to what extends you went or how many false prophets deceived you with church schemes; **something inside you craved for the real the deep calling to the deep & deeper things that the system prophets could not supply. God worked things that way to get you to Himself & finally have you in His gospel net listening to His prophets that unveils the word & mysteries to you.**

4)

He chose us in Him & no demon in hell can stop that when a child of God recognizes Gods Voice they run to the Shepherd. The seeds need the light of Life to energize & ignite it to action. The magnet power of Gods Light draws them from the darkness of the religious systems into the glorious energetic rays of the sun of righteousness with healing in His eagle wing messages. Christ the great diamond & sun of righteousness descended down to a low level becoming flesh & dwelled amongst us to redeem us back to His preplan will & destination. **Eph. 1:5 Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of His will.** Wow the good pleasure of Gods will to preplan us as His children & ordain our feet to find the way back to glory following the Pathfinder. Praise God our fortress & energy Life supplier the best tonic any person can absorb. **(11) In whom also we have obtained an inheritance, being predestinated according to the purpose of Him who worketh all things after the counsel of His own will:**

Now where does any system creep or fake imposter come in; when God elected His own working things after the council of His own will, not mans will Gods will. No man can work a way to heaven God alone is the Pathfinder Salvation is the Lords. God is Light the Light of Life that descended to us quickening us back to Him. Gods' first bible was the heavens He created first. The sun moon & planets are made from rock Gods first prototype bible displayed in the skies. **The rock bible above display the heavenly host God the sun of righteousness, the moon His wife reflecting His light when darkness comes in, the morning star His Christ & all the other stars as individuals in His Kingdom also displayed in the Zodiac signs.** The rock bible above are daily powered by Gods energy forces & rays of magnetic rotating fields & laws of life & gravity that holds them in their precise places like the arms of a great watch turning & telling the time exactly to the split second. Now once the clock stops then people realize they are out of time

6)

They wake up late the alarm didn't ring & they are in torment. Time does stop & stopped for Salvation for the world on 16/04/1990 when God personally raised His clock arms & said Time shall be no more **Rev.10:6. We don't worship dead rocks & trash we worship God.** Gods' 2nd bible is the great pyramid a prototype of living stones. **Enoch Gods 7th messenger played a major role in planning construction & working details & angles to the split second.** Gods' prophet put on paper what God wanted the true masons to build. They built accordingly inspired by the prophets' messages what angles to take & look out over the horizon to what is coming & going. Every stone had to be in place at a precise time before Enoch walked up to Gods mount for translation. The heavenly stones set as examples came down to earth.

7)

Gen. 22:17 That in blessing I will bless thee & in multiplying **I will multiply thy seed as the stars of the heaven** & as the sand which is upon the sea shore & **thy seed shall possess the gate of His enemies.** Gods' bible's descended into print & is finally expressed through earthen vessels. Gods major bibles are the stars, the pyramid & in earthen vessels. **Ye are Gods epistles witnesses of the word veiled in you. Printed bibles & any printed matter are manmade that cannot inherit the Kingdom of God. Ye are spiritually printed epistles filled with the Light of Life the Head-Stone Christ printed in you.** We are Gods printed bible the word expressed through our bodies via our testimonies. **We are manifested as the words, the seeds of God He preplanned to be here before the foundation of the world.** Our hearts are filled with the word of the living God burned into us like the Emmaus goers said, **did not our hearts burn within us as He talked to us along the way?** Ascending & descending is up & down. Up is down & down is up & that means:

8)

We must be down on our knees be humble that opens the doors to heavens above. Whosoever exalts themselves shall be abased. Enoch Gods 7th messenger from the 1st Adam ascended to heaven & walked home from Gods mount. I see the features of his face reflected from the rock as he walks up into the mount for identification going all the way. He is filled with Gods quickening power that swept over him & in an instant he was in Gods presence & laughing with Abel & his other loved ones & Gods heavenly host. **Enoch before ascending told of the coming destruction & descending of Christ coming with His host to make the world account for their sins. Gen. 28:12** And he Jacob dreamed & behold a ladder (A staircase) set up on the earth & the top of it reached to heaven & **behold the angels of God ascending & descending on it. (13)** And behold, the Lord stood above it & said, I am the Lord God of Abraham thy father & the God of Isaac: the land whereon thou liest, to thee will I give it & to thy seed;

Gen. 28:17 And he was afraid, and said, How dreadful is this place? **This is none other but the house of God & this is the gate of heaven where you see angels ascending & descending.** **Jude 1:14** And Enoch also, the 7th from Adam, prophesied of these, saying, **Behold, the Lord cometh with ten thousands of His saints to execute judgment** upon all & to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed & of all their hard speeches which ungodly sinners have spoken against him. **There is no way that any person can go ascend to glory, up if they did not come down & descended first.** Some claim to be from God but shut Him out with creeds. **Gods elected seeds that were with Him before the foundation of the world came into the flesh to be manifested in this last age. Gods seeds promised as the stars of heaven came down from heaven & are placed here by God to fulfill all righteousness for the King of righteousness.**

10)

Once they fulfilled their tasks they ascend up again to inherit their eternal share of glory. **John 3:13 And no man hath ascended up to heaven, but he that came down from heaven, even the Son of man which is in heaven.** **John 1:50** Jesus answered & said unto him, Because I said unto thee, I saw thee under the fig tree, believest thou? **thou shalt see greater things than these.** Now let that stick the greater things is not to tell a persons name & address or where they were the day before; **the greater things are to see angels ascending & descending on the Son of man.** **John 1:50 thou shalt see greater things than these. (51) And He saith unto him, Verily, verily, I say unto you, Hereafter ye shall see heaven open, & the angels of God ascending & descending upon the Son of man.** The great pyramid tells the story of ascending & descending. It is a staircase to heaven built with living stones fitting tightly together as Gods Masterpiece living-stones & God personally is the headstone

11)

Modern engineers reckon that to build the pyramid today would take 24 years, that excludes digging out the stones meaning the materials must be ready. Then they still have the problem of location cause no land mass would be able to hold the weight. Most admit after careful reckoning that it cannot be rebuilt in modern times. New discoveries in 2002 were made when a robot was used to drill a hole in a small door that they found in one of the air chimneys leading from the kings chamber, they inserted a camera through the hole in the door to only find another door laying ahead which was very discouraging. **The pyramid is not only a masterpiece from Enoch Job & Noah's days but is revealed in simplicity as a masterpiece of Gods living-stones nowadays it is Gods 2nd bible revealed from the heavens.**

12)

It is built with absolute precise engineering & every measurement angle ascending or descending passage or chamber has a spiritual application in the word. What a building an example on earth & prototype of the New Jerusalem that lays 4 square in heaven. **God used a prophet to align measure & work out the various accurate measurements making sure the inward angles do not collapse as was the case with other pyramids.** The Great pyramid is Gods 2nd bible in stone a wonder from the old & still a wonder in the new world. We are not pagans that care about natural temples & buildings. The great pyramid is a memorial of a bible in stone that tells a greater story than any other building on the planet. A building like Christ that withstood the wrath in Noah's days & the word ark came out on top of the mountain as the Headstone. Natural mankind will always scratch their heads about the great Pyramid that was erected as a temple of the gods & their ascending & descending platform or launching pad.

13)

Many believed that the pyramid was a silo used by Joseph to store all the grain he collected for the lean years. The pyramids are seen as an ascending & descending launching pad of the gods. The most famous quote about the great pyramid is that; **Man fears time, but time fears the pyramid. We know why time fears the pyramid; the pyramid interprets the end of time when Christ would descend back to earth & swear that time is no more.** The time sign started on 27/03/1964 for the last hour of this present world. 26 years Minutes after that crucial time-sign & almost 30 minutes/years almost ½ an hour of silence in heaven on 16/04/1990 the Lamb stepped forth in land & sea fulfilling **Rev.10** as the Mighty Angel putting His feet back on earth possessing back His legal rights He died for. **In the last 60 years of this worlds end time & almost ½ through at the almost ½ an hour silence of Rev.8:1 the Lamb stepped forth.**

14)

It is no wonder that time fears the pyramid cause the interpretation of time is sealed in Gods living stones that are the interpretation of the Kings hidden mysteries. Time was no more on 16/04/1990 sworn by the King of saints. God alone knows what a great privilege it has been for me to walk where my forefathers walked in the spiritual realms & extract these great hidden mysteries from King Solomans bible mines. If I drop dead this very day then I praise God for His kind hand that revealed such great & wonderful mysteries to a man that did not even complete high school. God bypassed all the learned engineers & clergy that scratch their heads about His word & the pyramids & He reveals the greatest of all biblical mysteries to me. It makes me cry & be humble before the living God just that He had mercy on a low life sinner saved helped delivers & blesses me all the time.

15)

Thank you Master that you use the foolish things to blind & stumble the wise that is in itself a mystery.

1 Cor. 2:7 But we speak the wisdom of God in a mystery, even the hidden wisdom, which God ordained before the world unto our glory. The elect praises my God & that is when I am a happy man, when my God is praised honored & glorified by the revealed word. We admit that we are absolutely useless & helpless without the help of the eternal living God that prepared our footsteps before we came here. I just love to look at the Pyramid from all angles & its measurements. Modern science proofed by the mummified bones of the workers found that the workers on the pyramids were Egyptians that were well fed. The king prepared an infrastructure well in advance where they could stay & be well fed & cared for with enough water & food working shifts eagerly on the Kings & their own resting place.

16)

It is still a continuing argument amongst the best of Egyptologists & historians that the Pyramids were not built as tombs & resting places in the afterlife but they were built as ascending & descending pads of the gods. What is more amazing than the pyramids to me is that a Lamb came & gave His Life for a sinner man like me & had mercy on me & saved my soul. **That outclasses all manmade structures that Chief Livingstone chose me as a living-stone that would welcome back the Headstone of His Temple with just a few others that are honed to welcome Him back as the Head on His spiritual temple & then the whole tabernacle of God is quickened into the heavens.** The wise man descended deep into the rock of all ages & anchored his future in the greatest stone of them all the Premier prime minister that was cut for us reflecting His rainbow colors of grace on His beloved family & once discovered he descended to glory.

17)

We descended to earth by Gods preplans & foreordained will. We will ascend back through the open door to heaven when we hear His Voice that says come hither come up rise on eagle wings to your future home. We will rise to where we came from as true seed from the tree of Life that walks in the new Eden the Millenium just like the pyramid is anchored in the centre of the earth so is Christ the centre & anchor of our lives. The prodigal son came to his senses & said I will ascend to my Father through the open door into His house. He cares for me & always fed me I was stupid to take the wrong road, please have mercy on me Almighty God. While still thinking about his Father the Father walked the portals all excited that His child was coming home. See on the portals He is waiting & watching, watching for me & for you. Come home, come home, ye who are weary come home, softly & tenderly Melchizedek is calling, calling all His family; come home. What a lovely song crying out in my old heart. Let us look at a few scriptures.

18)

Gen.18:33 And the Lord went His way & ascended back to heaven, as soon as he had left communing with Abraham & Abraham returned unto his place. We see God ascending & descending in **Judges 13:17** And Manoah said unto the angel of the Lord, What is thy Name, that when thy sayings come to pass we may do thee honour? **(18)** And the angel of the Lord said unto him, Why askest thou thus after my Name, seeing it is secret? **(20)** For it came to pass, when the flame went up toward heaven from off the altar, that **the angel of the Lord ascended in the flame of the altar.** **(22)** And Manoah said unto his wife, We shall surely die, because **we have seen God.** **Ex.19:18** And mount Sinai was altogether on a smoke, because **the Lord descended upon it in fire** & the smoke thereof ascended as the smoke of a furnace, & the whole mount quaked greatly. **John 6:62** What and if ye shall see the Son of man ascend up where he was before?

19)

Prov. 30:4 Who hath ascended up into heaven, or descended who hath gathered the wind in his fists who hath bound the waters in a garment who hath established all the ends of the earth what is His Name & what is His Son's Name, if thou canst tell? **John 20:17** Jesus saith unto her, Touch me not; for I am not yet ascended to my Father: but go to my brethren & say unto them, I ascend unto my Father & your Father & to my God & your God. **Eph. 4:8** Wherefore He saith, when He ascended up on high, He led captivity captive, & gave gifts unto men. **(9)** **Now that He ascended, what is it but that He also descended first into the lower parts of the earth?** **(10)** He that descended is the same also that ascended up far above all heavens, that He might fill all things. **Rev. 8:4** And the smoke of the incense, which came with **the prayers of the saints, ascended up before God** out of the angel's hand. **Rev. 11:12** And they heard a great voice from heaven saying unto them, **Come up hither & they ascended up** to heaven in a cloud & their enemies beheld them.

20)

Jos. 6:5 And it shall come to pass, that when they make a long blast with the ram's horn & when ye hear the sound of the trumpet, all the people shall shout with a great shout & the wall of the city shall fall down flat, and **the people shall ascend up every man straight before him.** **Ps. 24:3** Who shall **ascend** into the hill of the Lord? or who shall stand in his holy place? **1 Thes. 4:16** For **the Lord himself shall descend from heaven with a shout**, with the voice of the archangel & with the trump of God & the dead in Christ shall rise first: **All seeds descend & are buried to & then they rise like lilies from the dark chambers of death & break through the earth atmospheres to shine in the light of the sun of righteousness. Descending & ascending is a bible filling the heavens earth & atmospheres at all times, rain ascending drawn by Gods magnet power as mist & descending as rain etc.**
